Heading off to Uni?

Each year hundreds of young adults like yourselves walk away from their commitment to Jesus Christ while starting out at Uni. It doesn't have to be this way!

Transitions is an event sponsored by Scripture Union and Tertiary Students Christian Fellowship (TSCF), designed to equip you for your journey of faith at University.

Through talks, interactive seminars and discussion, you will have the opportunity to look at key issues you will face regarding faith, and day to day living during your university life.

Led by current students and former students who are now lecturers, you will be challenged to live your life differently. Best of all, you will meet others like yourself - a chance to make new friends even before uni begins!

We look forward to seeing you at Transitions 2011!
